

## BCI Basketball Plus

BCI is excited to announce that their first Basketball Plus Camp will be held on Saturday, March 14 in Denver, Colorado. Basketball Plus is a full-day camp hosted in partnership with community organizations that influence the lives of middle school and high school kids.

The Basketball Plus camp schedule includes basketball skills training – especially on the all-important “midrange” part of the game – and also breakout sessions where mentors and professional players will talk about integrity, character, values, faith and what it means to be a hero.

Committed to enhancing the goals of our partners right in their own communities, BCI has designed Basketball Plus as a prototype for camp events around the U.S. Each camp will be uniquely designed to fit the needs of the partner organizations and attending kids, whether they are urban, suburban, at risk, or otherwise.

For our first Basketball Plus event, BCI has partnered with **Denver Street School** and Reverend Leon Kelly’s **Open Door Youth Gang Alternatives**, and also with **Church in the City, Love Christian Fellowship, New Life in Christ Church, Zocelo Outreach** and **Urban Youth Ministries**. We have 100 scholarships available to kids invited through these organizations.

BCI would like to thank **Colorado Christian University** for donating the use of their Cougar Field House for this event. Additional sponsors will be announced.

For sponsorship information or to partner with BCI for a Basketball Plus event in your community, please email [info@bciedge.org](mailto:info@bciedge.org) or call 303-292-5870.
